

## **biOrb LIFE: The living underwater picture**

With its transparency the innovative, award-winning biOrb LIFE acrylic aquarium offers the perfect frame for a living picture of the underwater world. With a black, white or transparent frame, and in four different tank sizes from 15 to 60 litres the biOrb LIFE fits perfectly in any interior design. The complete set consists of an aquarium of highly-resistant, transparent acrylic, LED lighting, air stone, air pump, bed, as well as an efficient filter system that makes cleaning and care particularly easy. The perfectly matched biological, chemical and mechanical water cleaning ensures a stable balance of the aquarium water and makes cleaning and care particularly easy. The lighting of the biOrb LIFE is particularly ingenious: LED lighting or the innovative MCR light, a remote controlled RBG light for individual colourful play of light are integrated in the 15 litre variants; starting at tank size 30 litres the MCR lighting is included in the biOrb LIFE set.
