

biOrb FLOW: The compact aquarium in awarding-winning design

Straight-line and transformable through numerous decoration variants: Perfectly matched to modern interiors, the stylish aquarium is available with white or black frame, and in tank sizes 15 and 30 litres. The biOrb FLOW, which received many awards from the British and French pet industry, gets high marks for functionality and revolutionary design, among other things. The complete set consists of an aquarium of highly-resistant, transparent acrylic, standard LED lighting or remote controlled LED RGB lighting, air stone, air pump, bed, as well as an efficient filter system that makes cleaning and care particularly easy. The perfectly matched biological, chemical and mechanical water cleaning ensures a stable balance of the aquarium water and makes cleaning and care particularly easy. (OASE)
